## GEORGIA PROBATION ASSOCIATION

---

---

Dear Sir and Madam:

The Georgia Probation Association has been the professional association representing probation in Georgia since 1955. Our membership is comprised mainly of probation staff employed by the Georgia Department of Corrections who strive in their every day duties to protect the citizens of the State of Georgia.

Our Association is dedicated to professional training for our probation officers so that they may better serve the public. The individual probation officer absorbs much of the cost for this training.

This summer we will be having our summer conference at Jekyll Island, Georgia, August 18-20, 2010. Attached is the ad sizes and costs. Any donation will be greatly appreciated and should be mailed to: Bo Payton, LaFayette Probation Office, 109 Main Street, LaFayette, GA 30728 by July 31, 2010. Your financial help will demonstrate your support for the continuing education and training for dedicated probation officers.

Thank you for any support you may give to the Georgia Probation Association.

Sincerely,

A handwritten signature in black ink that reads "Charles Payton".
